

Mission Statement

Westminster aims to establish a personal set of values by learning experiences which relate to young people's life in school, home and the outside world to help create a more peaceful and sustainable future for our planet and its inhabitants.

Westminster aims to meet the diverse needs of students by encouraging creative and critical thinking with challenging and authentic assessment for learning given with the opportunities offered in the International Baccalaureate Primary Years Programme.

**AUTHORIZATION FORM**

(to cover any activities outside the school premises)

Dear Parent/Guardian,

During the academic year the school organizes a variety of trips and excursions. These trips will always be supervised by staff from the school. This form gives your child/ren permission to leave the school grounds, for whatever reason.

The school cannot be responsible for the acts of third parties, or events which occur on an excursion which are not the responsibility of the teacher in charge of the excursion: for example - the coach could be involved in an accident which was caused by the driver or drivers concerned, people who are not directly employed by the school.

It is the responsibility which the school and its staff cannot take. This places the responsibility on the party or parties causing the incident.

I/we authorize my child/ren

.....

To partake in official school excursions. I/we hereby relieve the school and its staff from any responsibility for occurrences which do NOT pertain to the guarantee of security and vigilance shown by the school and its staff. PROPER NOTICE AND SUPERVISION WILL BE PROVIDED.
