

Mission Statement

Westminster aims to establish a personal set of values by learning experiences which relate to young people's life in school, home and the outside world to help create a more peaceful and sustainable future for our planet and its inhabitants.

Westminster aims to meet the diverse needs of students by encouraging creative and critical thinking with challenging and authentic assessment for learning given with the opportunities offered in the International Baccalaureate Primary Years Programme.

I acknowledge that I have downloaded and read the **International Baccalaureate General Regulations : Primary Years Programme** document.
