The International Baccalaureate Organization (IB) is committed to improving and promoting its educational programmes and the teaching and learning that take place in IB World Schools. It runs teacher-training workshops and publishes promotional materials such as the magazine *IB World*. It also publishes training materials, in printed form, online and on CD-Rom, for schools and for sale, and on its password-protected website for teachers and coordinators. These training materials are greatly improved if samples of student work are shown. The IB would much appreciate your permission for the future possible use of samples of your child's work or of images of him or her engaged in class work or school activities, should the school select them for submission.

Please check one box in each section below to give the school the necessary authority. Then sign and date the form. It will be retained by the school and kept with your child's school record.

Section 1: Child's school work

☐ On behalf of my child, I **grant** the IB a **non-exclusive worldwide licence** to use any of my child's work that the school chooses to submit, in whatever medium (including written work, audio and visual materials).

I note that this means that the IB Organization may reproduce and publish it as above in relation to the IB Organizations' activities or those related activities of which it approves. I note also that these materials may be modified, translated or otherwise changed to meet the IB's purposes **and that all names will be removed along with any information that may lead to the identification of the child or of the school.**

☐ On behalf of my child, I **do not give permission** to the school to submit his or her work, in whatever medium, to the IB Organization for the purposes described above.

Section 2: Child's visual image

☐ On behalf of my child, I **give permission** to the IB Organization to reproduce photographic and video images of my child in whatever medium, as described above. I understand that these pictures will have been taken in the course of approved school activities and in circumstances under the control of the school. **I note that the identity of my child will not be revealed.**

☐ On behalf of my child, I **refuse permission** to the IB Organization to reproduce photographic and video images of my child in whatever medium and, therefore, ask the school not to include my child in any activity that will be photographed or videoed for submission to the IB.
